# Fall Opening | Return to Five Days a Week

## Schools will be open five days per week next school year

### District Priorities

1. Develop guidance for schools/families on what in-person learning will look like
  - **Masks:** All students, staff, and visitors to school buildings will wear masks indoors at all times (except when eating or drinking), regardless of vaccination status.
  - **Social distancing:** We will work to keep three feet of space between students whenever possible.
  - **Daily meals:** Students may eat in the cafeteria or in their classrooms, depending on what works best for their individual schools.
2. Plan a centralized virtual option for students who are medically fragile or at-risk
3. Implement innovative approaches for students to virtually take supplemental courses that are not offered at their schools
4. Engage families and advocate for in-person instruction

# Fall Opening | Virtual Academy

**Virtual Academy application deadline has been extended to August 6, 2021.**

**Principal Wayne Bevis is excited to welcome students to the Virtual Academy!**

- Students can apply by having their doctor submit the Application - Health Eligibility Form found at [cps.edu/VirtualAcademy](https://cps.edu/VirtualAcademy).
- Families with questions can reach out to [VirtualEnrollment@cps.edu](mailto:VirtualEnrollment@cps.edu) or call 773-553-KIDS [5437].
- Our FACE and nursing teams are reaching out to students with known medical conditions through calls, texts, and emails, and disseminating information to medical and community groups.
- Students who apply and meet the criteria of medically fragile will be enrolled in the Virtual Academy.

# Fall Opening | Student Vaccinations

Let's be safe: Make sure all CPS students and families get vaccinated to protect themselves and their communities from COVID-19:

- **Start a conversation** with your friends about getting vaccinated; share why you made the decision and listen to their concerns
- **Text three friends** with information on where they can go to get vaccinated nearby
- **Send us your ideas** about how to encourage more people to get vaccinated to [vaccines@cps.edu](mailto:vaccines@cps.edu) or call 773-553-KIDS

# Phases of Student Re-Engagement

## **Phase 1 (May 2021):**

Identify students and families for re-engagement summer programming

## **Phase 2 (June to end of summer):**

Re-Establish Communication and engage in summer programming

## **Phase 3 (Start of School Year 2022 - Fall 2022):**

Rebuild relationships, assess student need, and refer to interventions for Fall

## **Phase 4 (Fall 2022 - End of School Year):**

Deploy Additional Strategic Interventions

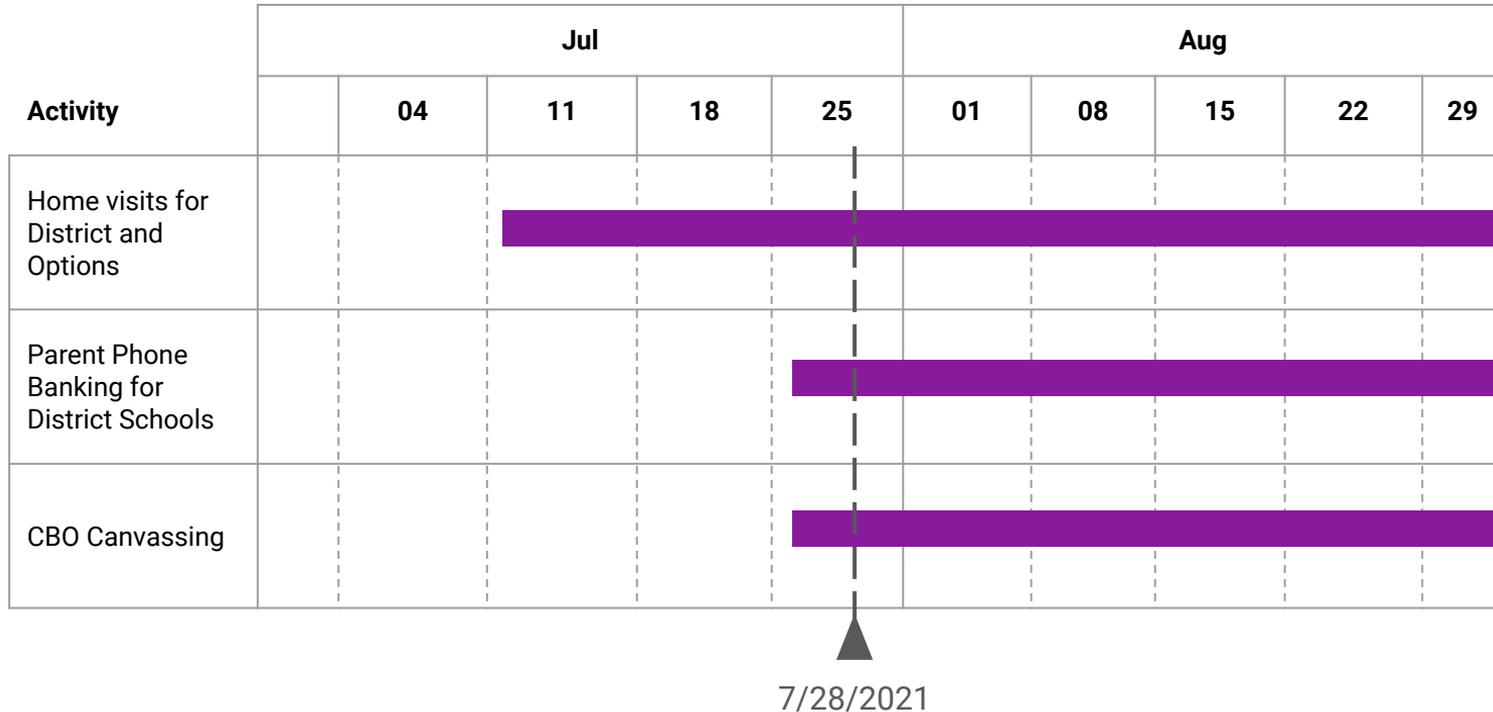

# Phase 2 - Key Strategies

While Phase 1 focused on identification of most at risk students, the overall goal of Phase 2 of Re-engagement efforts is to *re-establish communication and engage students in summer programming, with the ultimate goal of strong Day 1 attendance*

To do this, we are employing the following strategies:

Strategy	Target
<b>1.</b> Summer programming - instructional/non-instructional Back-to-school marketing Student Re-Engagement Toolkit	All tiers
<b>2.</b> Home visits for most at risk students (Options, Charter, District) - engage in back to school, summer, wraparound supports	One-to-One interventions - ~18,000 students
<b>3.</b> Parent phone banking - engage in back-to-school and wraparound supports	All students at 160 highest need schools (approximately 75,000 students)
<b>4.</b> CBO canvassing to promote back-to-school and COVID-19 vaccination information	Highest need community areas (10 community areas identified)
