Creating opportunity for every student, in every community

Board Presentation May 2012

Proposal

Convert South Shore Intl. College Prep into CPS's 10th Selective Enrollment School

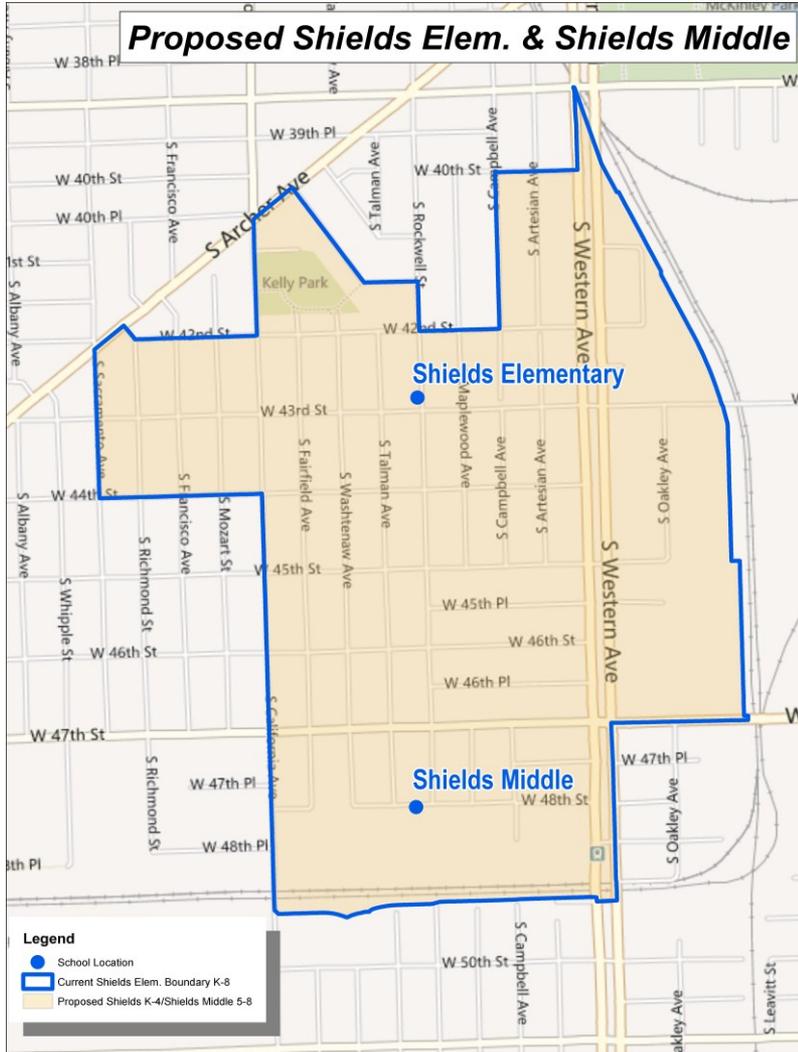

From	To
South Shore Intl. College Prep is currently 39% IB/CTE and 61% neighborhood (designed to be 50/50)	50% Selective Enrollment and 50% IB/CTE

Other Notes:

- Will add about 100 Selective Seats
- New boundary will assign students to CVCA with preference for enrollment in CVCA's new early college STEM program
- Extensive community involvement including community action council, Alderman Harris, Parents and more.

Shields Middle School

2611 W. 48th St

Proposal

Open Shields Middle School for Fall 2013

From	To
Shields Elementary has an ideal capacity of ~970 students. Currently enrolls ~1,800 students	Two schools, Shields as a PK-4 with ~1000 students and Shields Middle school as a 5-8 with ~800 students with the same attendance boundary
Shields students are bused to Finkl and in leased space	No students in Shields or Shields Middle will be bused or in temporary space

Other Notes:

- Staff hiring will commence immediately if board approves
- Engaged community including BP Neighborhood Council, Parents and more.
