Principal Effectiveness Initiatives Will...

Goal: Ensure there is an effective, high-quality Principal in 100 percent of CPS schools by SY 2014-2015

Successful Principals exhibit the following competencies:

1. **Champions Teacher and Staff Excellence** Through a Focus on Continuous Improvement
2. **Creates Powerful Professional Learning Systems** that Guarantee Learning for Students
3. **Builds a Culture Focused on College and Career Readiness**
4. **Empowers and Motivates Families** and the Community to Become Engaged
5. **Relentlessly Pursues Self-Disciplined Thinking** and Action
6. **Leads School Toward Achieving a Vision of High Expectations** for All Students

PERA Requires a New Principal Evaluation Process

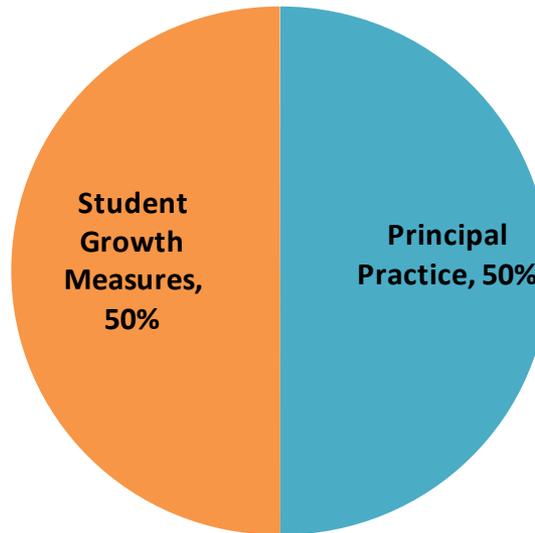

- **The Performance Evaluation Reform Act (PERA) requires all school districts to design and implement a performance evaluation system for SY 12/13**
- **The new Principal Evaluation system must be a standard based evaluation systems that includes student growth indicators (a minimum of 25% in SY 12-13 and a minimum of 30% in SY 13-14) and professional practices ratings (a minimum of 50%) for all principals**
- **Chicago Public Schools is adopting the Illinois Performance Evaluation Advisory Council's model for principal evaluations aligned to CPS's needs, with six competency areas based on standards for effective practices:**
 - A. Champions teacher and staff excellence through a focus on continuing improvement
 - B. Creates powerful professional learning systems that guarantee learning for students
 - C. Builds culture focused on college and career readiness
 - D. Empowers and motivates families and the community to become engaged
 - E. Relentlessly pursues self-disciplined thinking and action
 - F. Leads school toward achieving the vision
- **In order to Implement PERA, CPS has drafted a new principal evaluation process and evaluation rubric that is aligned with REACH for teachers. Over 100 school leaders helped inform CPS in the development of this evaluation system.**
